

PANDYA VRAJ

Aspiring Data Analyst

pandyavraj2004@gmail.com | +91-9558497374 | linkedin.com/in/vraj-pandya-197217419

OBJECTIVE

Motivated Computer Science undergraduate with a strong foundation in data analytics, business intelligence, and software testing. Certified in Deloitte Data Analytics Job Simulation, Microsoft Power BI, and Software Testing with AI. Seeking an entry-level Data Analyst role where I can apply my analytical skills, attention to detail, and passion for turning data into actionable insights.

EDUCATION

Bachelor of Science in Computer Science <i>Gujarat University, Ahmedabad</i>	Jul 2023 – May 2026
Higher Secondary Certificate (HSC) <i>Madhav Vidhya Vihar, Ahmedabad</i>	Jul 2022 – Mar 2023

TECHNICAL SKILLS

Programming Languages	Python, C
Data Analytics	Pandas, NumPy, Matplotlib, Excel
Database	MySQL, SQL
Web Technologies	HTML5, CSS3
Tools & IDEs	Git & GitHub, VS Code, MS Office

PROJECT

Contact & Lead Management System	<i>Django, Python, SQLite</i>
- Built a lead capture system with a Django model storing client inquiries, including service interest, budget range, and project urgency - Implemented server-side form validation and automated email notifications to alert the admin team of new inquiries - Designed a newsletter subscription feature with duplicate-email detection and real-time user feedback messages - Used Django's messaging framework to provide clear success/error feedback on form submissions	

CERTIFICATIONS

Deloitte Data Analytics Job Simulation	<i>Forage</i>
Basics of Microsoft Power BI	<i>UniAthena</i>
Software Testing with AI Bootcamp	<i>Physics Wallah</i>

KEY STRENGTHS

- Analytical mindset with strong attention to detail and data accuracy
- Quick learner — comfortable picking up new tools and technologies independently
- Solid understanding of statistics and data concepts from academic coursework
- Familiar with full development workflow using Git, GitHub, and VS Code
